

# 2019 Parenting Education Symposium - DISCUSSIONS

## Table Discussion 1 (after Eric's presentation)

1. Table introductions (e.g. name, organization, role).
2. What role should early childhood programs play in community responses to homelessness?
3. What could parenting education programs do to help support families experiencing homelessness?
4. What questions do you have after Eric's presentation?

## Table Discussion 2 (after Ann's presentation)

1. What resonated with you from Ann's presentation?
2. How does homelessness impact children and families in your community? In your experience?
3. What are some strategies for working with families experiencing homelessness?
4. What questions do you have after Ann's presentation?

## Table Discussion 3 (after panel discussion)

1. What resonated with you from the panel discussion?
2. How would you describe current efforts in your community regarding homelessness?
3. How could your program collaborate with others? How could your role change?
4. What questions do you have after the panel discussion? After the day?
